## Hop, Card Stunts Feature Program For Lumberjacks

### YELL LEADERS TO APPEAR AT DANCE

With the second student body dance of the year dubbed a "Pig-skin Hop", plans are underway to set a new high in San Jose State terpsichore Friday afternoon, October 7 before the Humboldt-State game.

#### FAHN APPEARS

The rally dance, which is to take the place of the Thursday afternoon "swing-session", will mark the initial appearance of the three newly elected yell leaders, Jim Fahn, Bob Swanson, and Bill Newby.

A portion of the time between 4 and 6 o'clock, when Staters rhythimize, will be devoted to a student rally, with yells and songs.

#### GUEST TEAM

Members of the Humboldt team, who will arrive in San Jose at 12:30, will be guests of honor at the pep hop and throughout the day.

Working with Fahn, Swanson, and Newby on plans for the affair are Verda Brown, Ham Hodgson, Charlotte Sutfin, and Lucille Johnson.

## San Jose State Predominates In Enrollment

### Surpasses All Calif. State Colleges

With a record total enrollment of 3544 students, San Jose State college has a far greater attendance than any of the other six California state colleges, President T. W. MacQuarrie stated yesterday.

Other state college enrollments are: San Diego State, 1920; San Francisco State, 1804; Fresno State, 1596; Santa Barbara, 1294; Chico State, 698; and Humboldt State, 336.

There are 1400 enrolled in the junior college here; 2072 in the state college, and the 72 limited students complete the total enrollment.

Only two other state colleges in California have junior colleges attached, and the number of students at both is small.

## COMMERCE DANCE POSTPONED

The Commerce club party and dance, originally scheduled for October 14, will be postponed until November 4 to avoid conflict with the C.O.P. football game, Constance Raitano, president announced today.

The dance will be held from 7:20 until 12 o'clock and will feature a popular nine-piece orchestra.

### ROOTERS' TRICKS MARK GAME FRIDAY

The Humboldt-San Jose State football game tomorrow night will mark the initial appearance of card performances in the college stadium this year.

Directions will be tacked to each seat so that students will be able

### Meet the Humboldt team Friday noon

Tomorrow at 12:30 noon, the Humboldt team with a crowd of Eureka rooters will arrive at the Southern Pacific depot for the clash between San Jose State and Humboldt.

"I wish that all those who can make it," said Jack Hilton, "will be on hand to give the Northern California students a big reception with lots of noise and a big turn-out."

to follow as the different stunts are announced.

Jack Baldwin, chairman of the card committee, announced that Jim Budros, Hughes McGlynn, Ed Dunne, and Jack Riordan, will assist him in straightening the lines which will consist of 24 in a line and 34 deep.

Those sitting in the stunt section must wear white shirts or blouses, as the background will be white.

Directions have been issued by Baldwin, who desires that each student read and follow them to make the performance successful. These will be found on page four in column one.

## Election Meeting Of Juniors Today

Getting together for the first time of the year today in Room 24, at 11 o'clock, the junior class will combine officer elections with a short business meeting.

Charlie Anderson, president of the group as sophomores is responsible for the meeting and asks that the third year students show the splendid cooperation they did last year and turn out en masse for the gathering.

The fundamental reason for the meet will be to elect officers for the fall quarter. As these officers are important the ex-prexy urges the students to think about capable leaders before the meeting and when the time comes to get up and nominate them "without much bickering".

Besides the election several important topics will be discussed. Among the most important will be the early planning of the Junior Prom to be given early in the winter quarter. Another item will be the plan to carry on a distinctive class garb started by the class last year.

## Ornate Costumes From S. F. Opera For Coming Play

### 'ELIZABETH' SETS IN GOTHIC STYLE

Costumes of the Elizabethan era from the San Francisco Opera company, and sets in the ancient Gothic style, will be used to give the authentic atmosphere of the 16th century when "Elizabeth the Queen", first play of the season, goes on the boards for its two day run October 27 and 28.

#### RICH MATERIALS

Of rich velvets and brocades, the costumes have been used in San Francisco opera productions and will be the most ornate ever worn by the San Jose Players.

Though completely authentic, the scenery will be designed in simplified realism and subordinated to the costumes. Mr. J. Wendell Johnson of the Speech department is designing the sets, models of which will soon go on exhibition.

#### DIFFICULT SETS

Limited space will make the problem of dressing the stage a difficult one, according to Mr. Johnson, who plans to use a skeleton structure for the five sets, making changes with draperies, special lighting effects, and moveable units. Most impressive of the sets will be the final act, where Elizabeth waits for Lord Essex in the tower.

### Daily staff relays second series tilt

The second game of the 1938 World Series will be relayed from the San Carlos side windows of the Spartan Daily office to student baseball fans at 11 o'clock this morning.

Run in connection with the broadcast given "through the courtesy of the Spartan Daily's Special Events Department", will be an inning-by-inning scoreboard of the game.

All students interested in the battle between the New York Yankees and the Chicago Cubs are invited to listen.

### Pi Omega Pi's Discuss Plans For Coming Year

The Pi Omega Pi, national commercial teachers honorary fraternity, held its first meeting of the year Wednesday night at the home of Weaver Meadows.

The gathering was for the purpose of discussing plans for the coming year and to handle business problems that have come up during the summer.

Mr. and Mrs. Pederson, and Mr. Burger who are new faculty members in the commerce department, were the guests at the meeting.

### Don Alexander's Band Plays Saturday Night

Coming—Alexander and his ragtime band!

Made up of fifteen musicians and entertainers, Don Alexander and his band will make their initial appearance in the San Jose civic auditorium at the weekly community dance Saturday evening.

## Coeds Model At Local Hotel For Patrons Party

### PROCEEDS OF FASHION SHOW AND CARD PARTY TO BUY FURNITURE FOR TWO STATE CO-OP HOUSES

Washington Square co-eds will model clothes from a local department store tomorrow afternoon when San Jose State college Patrons Association holds its card party and fashion show at the Hotel Sainte Claire from 1:30 to 4 o'clock.

According to Mrs. Leo Price, chairman for the party, proceeds will go toward new furniture for two girls' cooperative houses, the Mary George and Mary Post, and the boys' Varsity house.

## GYM WORK POSTPONES MEN'S P. E.

A delay in the work of installing the new men's gym locker has caused a postponement of the physical education classes for at least two more weeks.

There will be no regular classes next week, and possibly for two weeks. This delay is due to difficulties that have been encountered by workmen on the project.

According to Dud DeGroot, head of the Physical Education department, this delay in construction work was unforeseen; therefore classes will not meet until all work is completed and in proper order.

There will be further notices concerning the men's locker in the Spartan Daily. Students are asked to watch for them to find out when the classes will resume again.

## JAM SESSION BENEFIT SOON

By BEN MELZER

C'mon and hear . . . the best jam session ever held . . . and right here at San Jose State college. The date . . . October 13 . . . right in the Morris Dailey auditorium . . . There will be trucking executed in the aisles . . . if you care to really swing out down the line . . . and all the time you'll be helping the college meet its Community Chest quota . . . and in doing so benefiting the poor and homeless, so waged Bob Work, campus Chest head yesterday.

Jim Bailey, man about school, is in charge of the program and you can lay your money that it is going to be well done. Bailey has two orchestras lined up from State college students and they are really going to try to cut each other down.

It has not been announced who the orks will be led by but they are sure to be two of the best leaders in the school and some you've often heard about the campus.

The swing concert marks the first time any college in the bay area is going to swing such an undertaking. Consider the fun, the joy, the swing and most important the cause and you can be sure of a huge swing crowd. Let's go.

## Cigarette Sales Now Authorized In Co-op Store

### No-Tobacco Tradition Broken For First Time Here

All of the popular brands of cigarettes went on sale in the student Co-op yesterday noon.

The success of the venture, say those in charge, now depends on the response of the students.

The dean of men could not be reached for a statement but the dean of women, Helen Dimmick, when queried, said it was news to her that they were being sold so soon.

"By whose authority?" she asked.

"Dr. T. W. MacQuarrie's, of course," replied the reporter.

To the question of co-eds smoking, she replied:

"Well, they have just as much right to smoke as the men do. I can't say that I approve of it by any sex, but it is better than the old fashioned chewing tobacco."

"However," she continued, "the men in the east, I understand, are giving up cigarettes because it is too effeminate."

Until several days ago the issue had not been decided. A late report on the opinion of the students evidenced a strong feeling in favor of selling cigarettes on the campus.

According to the manager of the Co-op, the sale will continue as long as the volume of business justifies keeping them in stock.

RUSH parties, football games, and dances are beginning to fill up the date calendar as the winter season gets under way . . . not forgetting the opera in San Francisco this week-end for those musical-mindedfortunates who will be travelling up for the opening arias of Giordano's "Andrea Chenier" on October 7.

A DIAMOND on her left hand announces the engagement of Mary Willcox to Charles Gibson. They plan to be married in April and will fly to Alaska for their honeymoon . . . Marie Solon, former State student, and Paul Greene joined the married couples this summer, as did Bette Jeanne Jesse and Dave Welch of Tracy.

AFTER-THE-GAME dances kept orchestras busy last Saturday night. The Business Administration Association of Santa Clara held an informal affair at the California Country Club, entertaining such Staters as Joan Gruit, Bob Sullivan, Florence Churin, Bill Bacon, Evelyn Danielson, and Don Sullivan.

PHI SIGMA CHI also held a light fantastic at Napredak Hall, and among dancers were Dolores Brown, Bill Edwards; Ruth Merrit, Charles Bocks; Ruth Belrose, Bob Ritchie; Lola Patterson, Howard Withycombe; Marian Ruge, Cecil MacDonald; former Stater Marie Davis with Leonard Herman; Verda Brown, Buss Miller; Fledra Weast, Archie Eldridge; Mr. and Mrs. Bob Locks; Ed James and Marie Grosslin.

JERRY GIRDNER, D.T.O., who has been sailing the high seas between Australia and Honolulu all summer, came back yesterday to take up the every-day grind of learning and college life again.

Snooping in the foggy city revealed Anne Oeschger dancing at the Mark to the music of Skinny Ennis.

VERY IMPRESSIVE was the Rainbow ceremony Saturday evening at which Barbara Dolfin, State student, was installed as Worthy Advisor. Enjoying the dancing afterwards were Glenna Bell Moenning, Bob Minros; Virginia Moore, Don Anderson; Winifred Moenning, Robert Tonkin; Barbara Bean, Jack Webster; Bonnie Bateman and Roy Pinkston.

en masse at the Stanford-Santa Clara football game. Among those sitting on one side and cheering for the other were Jeanne Schrader, Jimmy Budros; Lucille Gruber, Herbert Raymond; Shirley Watson, and Don Miner.

PRESIDING over the teapots Thursday afternoon were the Senior Home Economics girls, at a lovely reception given to welcome the new Home Economics teachers. The newcomers to the domestic department are Miss Cameron, Mrs. Rice, Miss Reynolds, Miss Heitsch, and Miss Mitchellson.

ADVANCE NOTICE on dances coming up . . . Pi Deltas are giving a Barn Dance next Saturday at the Swiss American Hall. The three Omega fraternities will be giving their dances in the very near future, so watch for them. The three Omegas? . . . why, Alpha Pi Omega, Delta Theta Omega, and Sigma Gamma Omega, of course.

That's about all for this time, so until next week . . . happy hunting!

## AWS Surprise Enveloped In Secrecy

Surrounded by complete secrecy, a surprise of super-colossal importance which will involve every member of the student body is being planned by officers of the Associated Women Students for the near future.

Miss Mary Frances Gurney, active A.W.S. member, has been placed in charge of arrangements for the affair which is being hushed, only to be sprung as a complete surprise on the student body in a last minute announcement.

The affair will be an innovation on the campus, no similar activity having been held on Washington Square in recent years. So, Spartans—be on the look-out for signs, or other notices giving hints as to the nature of the surprise.

## W.A.A. PLAY DAY OCT. 17

The W.A.A., headed by Ruby Seimers, will be hostess to Salinas, Hollister, San Benito, San Mateo, and San Francisco junior colleges at a play day October 17.

"All athletic minded girls wishing to participate in the play day should sign up on the bulletin board in the Women's gym immediately," stated Ruby Seimers, Women's Athletic Association president at the board of directors meeting Monday.

The program outlined for the play day includes, registration at 9:30, athletic activities from 10 to 1, lunch from 1 to 2, and general get-together from 2 to 3.

Activities open for the day include hockey, tennis, badminton, volley ball, golf, archery, and recreational swimming.

## Thru Clothes Doors

By PATTY BLACKWOOD

THE EVENINGS AND MORNINGS are getting chillier day by day—we think no more of wash dresses, but of sweaters and skirts, Herringbone jackets, and light weight wools. Last week I spoke of angora sweaters from one of the local stores—those were different than the "Softies" I'm writing about today.

These may be found at HALE BROS. on the second floor sport shop. Helen Harper originals—they were advertised and shown in Harper's Bazaar and Vogue magazines. "SOFTIES" are \$2.98, in sizes from 34 to 38 . . . are made of FRENCH ANGORA and wool. They may be used as slip-ons without a blouse, although they fasten with little pearl buttons down the front as a jacket or over your formal—anyhow, each one has a Helen Harper lapel.

SPEAKING OF COLD WEATHER, or if you are the type who prefers snug pajamas when you sleep, you'll have to take a try at "SLUMBERWYNS", the newest creation by Van Raalte. You'll feel as if you'd found a snug cocoon to hibernate in when you're all tucked up in these soft lisle pajamas.

They have all the features to stave off Old Man Winter—high necks, long sleeves, ski-bottom trousers . . . don't give a chance draft a ghost of a chance. "SLUMBERWYNS" are in all the colors you like, for example . . . coral . . . melon . . . tearose . . . light and royal blue . . . inca . . . and clay. They are \$2.00 at BLUM'S—some of them have zipper fronts, ties, collars—or most any style desired.

HAVE YOU NOTICED the amount of Herringbone jackets and plaid skirts about the campus this fall? Other favorites are pearl necklaces and shirred or lastex waistbands. I saw, too, a number of girls with skirts that are stitched around the bottom two or three times, lending an extreme tailored atmosphere.

The shoes seen around Washington Square are quite unusual. I don't believe there has been more than two of a kind, except for the old stand-bys—the saddle oxford—and even they are much cleaner. According to the male population, the co-eds as a whole are much better dressed this quarter. Incidentally, I would appreciate hearing what the girls think about how the fellows are dressed compared to the era when sophs were wearing jeans and plaid shirts.

The Danielle Darieux hair-do has slightly disappeared since our notable columnist, Ben Meizer, expounded his theory on what he thought women looked like with it—perhaps he was right in some respects. It's very hard to sit one of those doll HATS on one's head if hair isn't fixed in such a style though. Yet girls look just as bad the other way round—so what's a poor femme to do?

Have you tried the new BLACK lipstick at some of the local stores? It's coal black and changes color to suit you after it's applied. There are a variety of new shades out in orchid, wine, etc.

## HE Display Has Party As Theme

"Come to the party" is the theme of the display in the hall of the Home Economics building illustrating a calendar of parties suitable for all times of the year.

The display features ideas that require neither artistic ability nor money with success guaranteed.

Student teachers puzzling over ideas for Christmas decorations will be aided. The ideas given will assist students who are planning parties. The decorations can be made with little cost or artistic ability and are sure to be a success or at least cause favorable comment.

## Art Society Barbecue Set For 5:30 Tonight

Plans for a barbecue were made by members of the Art Society during a meeting last week at the home of their adviser, Ruth Turner.

Besides the barbecue which commence at 5:30 this evening Winifred Moenning's home, group made plans for talks, and social events to be held in autumn. It was also decided have three different girls as hostesses for each meeting quarter.

## FROSH ELEVEN MEETS U. S. F. YEARLING TEAM SATURDAY

### Spartlets Face Offensive Acid Test In Contest; Goal Line Uncrossed

Meeting the successors to the mightiest of the parade of great freshman grid teams representing the University of San Francisco at Spartan Stadium Saturday morning at ten o'clock, Sparta's own edition of yearling football talent gets its offensive acid test.

Snapping out of a lethargy they have displayed in showing an offensive threat to date, the Spartlets will be out to hang up a few points in addition to keeping their so far unstained goal line uncrossed.

Question mark number one seems to be Turkey Kasparavitch, the boy who played such a bang up game against the Modesto J.C. Pirates one week ago. Turk, from his defensive spot of left half, boomed the Modesto runners into submission on every play that was directed his way besides assisting at backing up the other side of the line. Whether he can duplicate with a ball packing threat to team up with Hubbell and Clark to move the old apple into pay dirt is still unknown. He moved back from end where he played in high school and has been a little slow in picking up the ball handling duties. His blocking has been unequalled so his position seems intact, but till Saturday he will remain question mark number one.

The U.S.F. squad is big and fast and reported out to duplicate the undefeated untied record of their predecessors. Coach Bob Kleckner has admitted he expected a breather until the showing of the local frosh against Modesto, but is taking the game with all seriousness and will be out to roll up a score Saturday.

King football took a back seat yesterday when over a hundred students of Sparta town gathered on the south side of the college Publications office to hear a play-by-play account of the opening game of the world series in which the New York Yankees walloped the Chicago Cubs 3-1.

Campus baseball fans saw the Yanks chalk up two runs on the Spartan Daily scoreboard in the second inning to "ice" the game and later add another run for good measure in the seventh.

The best the hometown Cubs could do was score a lone tally in the third frame and threaten in the seventh on Gabby Hartnett's triple to right field. The Windy City nine touched the New Yorker's ace, Charley Ruffing, for nine blows but the big redhead was too effective in the pinches for the Cub clubbers. Big Bill Lee gave up 12 bingles to the Yanks but didn't have Ruffing's success with men on the bases.

The second game of the series will be brought to students today through another Spartan Daily Seriescast.

## Tennis Veterans Netball Foes

The veteran teams of Uhrhammer-Fisher and Larsen-Sutlin advanced a step in the annual mixed doubles tournament yesterday by defeating the mixed teams of Grube-Moulden, 6-4, 6-0, and Koehn-Lamb, 6-3, 6-4, respectively.

Thirty-six doubles teams have signed to play in the tournament which is sponsored by the W.A.A. Eight of these teams are veteran racquetters, and are somewhat favored over other entrants. Seeded teams are as follows: Egling-Hooker, Boscocci-Green, Nasif-Piner, Walsh-Hambey, Oswald-Edik, Krupiak-Clark, Graham-Buckingham, Uhrhammer-Fisher.

Vernon Larsen, manager of the tournament, announced that all first and second round matches must be played and scores turned in by Friday, October 7.

### Grapplers Sign For Mat Tourney

#### More Entries Sought By Coach Grattan

All signs point toward a successful and interesting wrestling tournament in November, what with several entries already received and more expected to sign up before the week is out.

At present four teams will be ready for duty when the novice meet gets under way. However, there is a possibility that more squads will enter. Coach Grattan announces that anyone desiring to enter a team may do so by contacting him or members of the varsity wrestling team.

Purpose of the novice tourney is to give beginners a chance to display their ability and to give Mat Mentor Grattan a line on the prospects. It is not necessary for the men to sign up for wrestling and entering the tournament does not imply that the entry is expected to go out for the varsity or freshman squad.

Nearly all of last year's varsity wrestlers have reported for pre-season workouts. Carleton (Lindy) Lindgren, ace 145-pounder, has not put in an appearance but he is expected to show up very soon. Lindgren is just getting rid of a bad cold. He and Fortune Masdeo are the chief hopes for the varsity 145-pound class.

## MACMEN SCORE ALMOST AT WILL IN SECOND CONFERENCE VICTORY IN AS MANY STARTS

Showing a smooth passing, sharp shooting rushing attack, the Spartan soccer team ran roughshod over a weak Menlo J. C. eleven yesterday afternoon at Menlo Park to the tune of 12-0.

Functioning in team play like they never have this season, the McDonaldites time and time again bore down on the Jaycee goalie and peppered him with a barrage of shots from all around the front of the goal.

Opening at center forward and starting off the scoring early in the opening period was the Hawaiian hustler Hank Vasconcellos. Following almost immediately came a combination shot that was kicked by Vasconcellos and which caromed off the leg of Fortune Masdeo into the goal.

### FAHN SCORES

A short time later the forward wall of Sparta drove down the field on a fast-breaking offensive charge with excellent passwork. The play ended with a well-timed shot through the goal by Jimmie Fahn.

Going into the second quarter with a 3-0 lead the Joseans were awarded a penalty kick which Captain Helton Harper drove into the meshing for another score. Again just before the end of the half the accurate passing of the Spartans produced the fifth score with Masdeo on the kicking end after a pass from Terry White.

### THIRD QUARTER

The third quarter produced four more goals with Swanson, Martella, White, and Fahn producing the needed impetus to the leather. White's score might have easily been chalked up to Captain McIntyre of Menlo as the former's kick hit him in the side and bounded at a right angle into the net.

The final stanza went scoreless until the final two minutes of play when on brilliant team play against a tiring junior collegian squad, Jack Marsh scored three consecutive goals to bring to a close the highest scoring game in which the local kickers have ever taken part.

Coaches McDonald and Olivarri were well pleased with the offensive drive of their charges but stated that conditioning will again be a very important part of the workouts.

## Black And White Stunt Cards

### COMMITTEE LISTS INSTRUCTIONS Issued Rooters For Humboldt Game

Due to the strike in San Francisco the Rally committee was unable to obtain colored cards for the stunts to be displayed at the Humboldt game and in a final effort wired Los Angeles for black and white card board. Officials in the southern city assured Rally committee head Jack Riordan the cards would arrive in San Jose in time for Friday night's game.

All students are asked to read and follow the instructions listed below:

1. On each seat will be tacked a card of instructions.
2. This card is numbered 1 to 10.
3. After some of these numbers will be a black crayola mark.
4. This mark indicates to the person sitting in that seat that the black side of the card is to be shown to the opposite side of the stadium.
5. Opposite numbers where no mark is indicated the white side of the card is to be displayed.
6. All cards will be displayed simultaneously at the given signal from the director.
7. The cards are to be held directly under the eyes and facing the opposite side of the field.
8. Cards will be lowered to the lap at the signal of the director.
9. Only twenty-four people will be seated across the rooting section.
10. Everyone is asked to wear a white shirt or sweater to lend a uniform background. It will be only necessary to shed coats and other colored garments just before the stunts will be enacted.

Edouard Benes, who yesterday resigned his post as President of the war-created Czechoslovak Republic, has left the remains of the dismembered nation in the care of Premier-General Jan Syrovsky, now its dictator. Forced out of office at the insistence of Germany's Adolph Hitler, Benes thus culminates his career, while the country he helped organize is brought by sheer internal necessity into the hegemony of the Third Reich.

Another great victory for Adolf Hitler was realized yesterday when the Union of Soviet Socialist Republics summarily broke off her military alliance with France. Her enemies disunited, Germany no longer fears opposition.

California Pension Planners discovered yesterday to their horror that the United States government has fallen into the hands of "economic royalists". National banks have been informed that state warrants cannot be accepted for deposit, and that only United States currency may be recognized.

That the Ham and Eggers are jealous of any rival pension plan was evidenced recently when Robert Noble, advocate of "Twenty-five dollars every Monday" was brutally dealt with when he attempted to crash a "Thirty Thursday" meeting.

## Cut Stones Shown By Society

A new exhibit has just been placed on display in the main hallway of the Natural Science building, by the San Jose Mineral Society, showing the work done by members in the art of cutting, polishing and setting of stones.

With the exception of three cases of agates from southern Oregon, all of the stones on display have been found in or around San Jose. All work done by members of the club is purely amateur, although membership to the club is not restricted to amateurs.

The society will hold its next meeting in Room 112 of the Natural Science building October 17, at 7:30 p.m. In order that more students will attend, special student rates will be given to those students wishing to join the club.

### THIRTY THURSDAY BILL TOPIC OF TALK

The recently proposed "Ham and Egg" bill will be the topic of a speech given today by Mr. C. N. Settles, new instructor in the Social Science department, before the weekly meeting of senior orientation. Mr. Settles will make his speech in Room 55.

"The talk will not only introduce a new instructor, but will also bring light on a subject that is timely," stated Tom Hardiman, vice-president of the senior class.

### VIOLINIST LANINI ON MUSICAL TOMORROW

Paul Lanini, local violinist, will be heard on the YWCA musical Half Hour to be held in the Little Theater.

Lanini, who has been a member of the symphony orchestra and chamber music quartette for two years, will be accompanied on the piano by John Andrews.

Music to be heard on the program will be "Sonata in G minor" by Tartini; "Introduction and Rondo Capriccioso" by Saint Saens, and "Spanish Dance" by De Tallia.

### YOUNG DEMOCRATS OUTLINE ORGANIZATION PLANS

"We plan to take an active part in political affairs that pertain to or are of interest to students," announced Doan Carmody, vice-president of the newly formed Young Democrats club, after an organization meeting yesterday noon.

An election of officers will be held at their regular meeting next Wednesday.

## Bargain Sale On Seasonal Tickets Closes Tomorrow

### Players Will Cancel Unpaid Book Orders

San Jose Players' "bargain sale" closes tomorrow when all season booklets selling at one dollar go off sale. Mr. Hugh Gillis, Speech department head, disclosed yesterday.

The booklets, which give students admission to all plays for an average price of only a little over ten cents per play, will not be offered again for sale during the 1938-39 season, says Mr. Gillis. Prices for individual tickets bought after Friday have been set at 25 cents.

Mr. Gillis warns holders of reserved but unpaid for booklets to call for them by tomorrow, as all orders will be automatically cancelled when booklets go off sale.

## Personality Mutt SOUGHT FOR Role Of 'Patsy'

By BILL RODRICK

Wanted: A dog with the personality of "Asta" and the glamour of a "Flush".

The San Jose State college Drama department, under the leadership of Miss Margaret Douglas, who will direct "Storm in a Teacup", second offering on the Players schedule, is conducting this unusual search for talent, for a dog to essay the difficult role of the inimitable "Patsy" in the production. Tryouts start October 13.

No common dog is "Patsy", who, during the course of the play manages to be responsible for the complete downfall of a great political leader in Scotland, the loss of a newspaperman's job when he pens an article in "Patsy's" support, and various other dire and unusual happenings.

The complete story of "Patsy", her Irish vegetable "stall keeper" owner, the reporter, and the politician will all be unfolded some time in December when the play goes on the stage, but meanwhile a dog of dramatic talents must be found.

All canine applicants dramatically inclined will be gladly accepted for the tryouts, says Miss Douglas, who hopes to discover in some flea-bitten hide the potentialities of a new star to add to the San Jose Players roster.

In the north it's swing,  
But here, it's Rag Time,  
'Cause it's got every thing."

## Cliff Dwellers Plan To Head For HILLS "IF HITLER PERSISTS" WITH War Threats; Says Campus Club

Prompted to act by the recent war threat of Hitler, the Spartan Daily staff has come out openly with a stand against war by instituting "The Cliff Dwellers of America, Incorporated", definitely a pacifist organization.

Members have pledged themselves: "Should the moneyed interest of the United States manage to drag this country into the next world war, we shall withdraw to certain designated spots in the mountains and there reside as cliff dwellers for the duration of the war."

A women's auxiliary has also been formed and called "The Housemaids of the Hills".

As Ben Hitt, editor of the Spartan Daily, signed, he declared: "When the next war starts, the guys are going to be missing, and the guy they send for me!"

Certificates for joining will soon be placed at convenient locations throughout the campus for the purpose of permitting the student body to join the cause, according to its originators.

### NOTICES

The campus Presbyterian club will meet today in Room 3 of the Home Economics building at 12:15. New students and friends are urged to attend and bring their lunches. Reverend Jones and Reverend Saunders of the local Presbyterian churches will speak.

Attention! All Globetrotters are requested to be present at an important meeting at noon today in Room 24. Those who plan to attend the weiner roast please bring their quarters. Committees have reports ready.
